

Curriculum Vitae Kaija Puura (born 1961) 7.1.2022

- Surname: Puura (née Rupponen)
- First names: Kaija Leena
- researcher identifier: ORCID, 0000-0001-6707-7975

Degrees

- 7.11.2006, Title of Docent, Child Psychiatry, Tampere University (TU), Kalevantie 4, 33014 Tampere, Finland; 10.9.1998, Doctor of Medical Science (PhD), TU; 14.12.1996, Family Psychotherapist, University of Turku, Finland; 3.5.1994, Specialist Degree in Medicine, Child Psychiatrist, TU; 30.12.1985, Licentiate of Medicine, TU

Current employment

- 1.11.2016 -, Professor of Child Psychiatry (50%), Faculty of Medicine and Health Technology, Tampere University, Finland, Stage IV
- 1.1.2017 -, Chief Physician, Development and Innovations (50%), Department of Child Psychiatry, Tampere University Hospital, Finland

Previous work experience (main positions)

- 01.02.2014 - 31.12.2016, Chief Physician, 1.11.2011 - 31.7.2012, acting Chief Physician Department of Child Psychiatry, Tampere University Hospital (TAUH), Finland
- 01.10.2001 - 31.01.2014, Assistant Chief Physician, Department of Child Psychiatry, TAUH, Finland (freed from service 1.11.2011-31.7.2012, 1.8.2012-31.10.2012)
- 1.8.2012-31.10.2012, Researcher, funding from the Finnish Academy of Science, Tampere University (TU), Finland
- 1.7.2000 – 30.9.2001, senior lecturer of Child Psychiatry (50%), TU, Finland (removed to other duty 1.7-31.12.2000)
- 1.7.2000 – 30.9.2001, Consulting Child Psychiatrist (50%), TAUH, Finland (removed to other duty 1.7-31.12.2000)
- 1.1.2000 - 31.5.2000, acting Professor of Child Psychiatry, TU, Finland
- 1994-1996, 1998-1999, Child Psychiatrist, TAUH, Finland, service 4 years
- 1997, Project Coordinator, Department of Mental Health, Sosiaali- ja terveystieteiden tutkimuskeskus (STAKES), Helsinki, Finland
- 1995, Senior Lecturer of Social Psychiatry, TU, Finland

Research funding and grants

- 2020, KOMAS-funding from the Ministry of Social Welfare and Health 100 000EUR; 2018-2019, AisDemo, Suomen Yliopistokiinteistöt, 50 000EUR, PI; 2015-2019, Competitive State Research Financing of the Expert Responsibility area of Tampere University Hospital, PI, 80 745EUR; 2004-2009; Towards Genetic Basis of Cooperation EU funding, PI for Finland, 250 000EUR; 1995-1998, European Early Promotion project, EU funding, PI for Finland, 170 000FIM

Research output

- Development of Digital Infant and Family Psychiatric services for Tampere University Hospital (TaysHuoma-service), Virtual Reality applications for stress and anxiety regulation for children and adolescents, Brief Infant Mental Health Screen

Research supervision and leadership experience

- Supervised three (3) doctoral students as main and one (1) as secondary supervisor; supervising five (5) doctoral students; supervised 22, and supervising four (4) undergraduate students; Member of the executive board and national PI in three EU-funded research projects (1997-2005, 2004-2008, 2005-2009), leader of the 3 research projects (2003-2008, 2014-2018, 2016-) and of the ” Practicing deep breathing and relaxation with Virtual Reality-applications as a part of child and adolescent psychiatric care (2019-) ”, the latter in collaboration with professor Markku Turunen

Awards and honours

- 2000, First Terttu Arajärvi – Award, Finnish Association of Child Psychiatry, Helsinki, Finland; 2002, New Investigator Award, World Association for Infant Mental Health (WAIMH), Amsterdam, Netherlands

Other key academic merits

- Examined nine (9) doctoral theses in Finland; opponent for six (6) doctoral theses in Finland; external examiner and second opponent twice (2) (University of Dublin, University of Oslo); Expert evaluator in recruitment of applications for a title of docent in Tampere University twice (2), for a professor position once (1) (University of Turku) and twice (2) for Tampere; Peer reviewer for Finnish Brain Foundation
- Executive Director (2018-) and Board Member of the World Association for Infant Mental Health (WAIMH) (2006-), Vice President of the International Association of Child and Adolescent Psychiatry and Allied Professions (IACAPAP) (2018-), and President of the Finnish Child Psychiatry Association (2018-)
- Evaluator of scientific abstracts for congresses of WAIMH, IACAPAP and European Association for Child and Adolescent Psychiatry (ESCAP); Associate Editor for Infant Mental Health Journal (2006-); reviewer for 12 scientific journals
- Member of the Ethics Committee of Tampere University Hospital, (2009-), vice president (2018-)
- Responsible for organizing WAIMH World Congresses (2006-2021)

Scientific and societal impact

- Expert in national Action plan for Non-Violent Childhoods 2020–2025 and in the Strategic program of the Government “Change in Services for Children and Families”(2016-); expert in Valvira (2013-); expert in Ministry of Finance Working Group for assessing Family Centres (2021); invited lectures 2019, USA; 2018, Italy; 2017 Sweden; 2015, South Africa; 2015, USA; 2014, Japan; 2013, Australia; 2013 Japan; 2012, Sweden; 2011, France; 2007, Japan. Interviews in TV, radio and newspapers. Advisor for YLE Children’s and adolescents’ TV-programs.

Other

Board member in the GettingBetter company Author of the book “Näin kasvatat lapsestasi mukavan aikuisen” (How to raise your child to a nice adult), published in Finland, Croatia and publishing rights sold to Poland and Russia

Publications

A Peer reviewed articles in scientific journals
