Verifying electronic documents:

- The documents are electronically signed using the certificate of the Population Register Centre of Finland (VRK)
- You can verify the authenticity of electronic documents by using the validator service www.tuni.fi/esignature/en
- To verify the authenticity of documents printed on paper, please contact the Study Services (opintotoimisto.tamk@tuni.fi)

The authenticity of
the document can
only be verified from
PDF file. Please do
not print on paper 😊
