Unleash your potential!
Exchange studies
Spring 2020
Welcome to Finland’s most attractive university!

The University of Tampere and Tampere University of Technology have joined forces to create a new model for higher education in Finland. The new Tampere University together with Tampere University of Applied Sciences constitute Finland’s most diverse higher education community, which began its operations on 1 January 2019.

As the new Tampere University, we offer a broad range of opportunities to join and pursue your exchange studies within our community. We are known for our advanced pedagogical expertise. Our global digital campus, personalised instruction and high-quality physical learning environments provide you a seamless learning experience.
At Tampere University you can create a unique study experience to meet your interests.

As an exchange student, you have a wide variety of courses from different degree programmes and faculties to choose from (please note that some restrictions may apply).

With us you can also take a peek into Finnishness on our courses in Finnish language, available from beginner to advanced level.

To add an extra flavour of interculturality to your study programme, join the intercultural communication courses offered by our Language Centre.

Together we are greater

Student mobility
Tampere University is proud to have more than 500 partner universities across the world. Annually, we receive almost 1,000 exchange students.

Academic calendar
The spring semester starts in early January and teaching continues until late May. During the autumn semester, teaching is organised from late August until late December.

Welcome Week
A Welcome Week is offered in early January and in August. Besides learning about study practices and Finnish way of life, the Welcome Week is a great opportunity for you to make new friends! The Welcome Week programme is free of charge.

Tutors
To make you feel at home we will assign you a student tutor. Tutors are fellow students and they will be happy to give you a piece of advice before and upon your arrival in Tampere.

Sports services
High-quality and versatile sports services are provided by SportUni. SportUni gives you the opportunity to participate in various physical activities of varying levels of intensity. Read more: www.sportuni.fi

Student housing
Tampere Student Housing Foundation (TOAS) has a great selection of affordable student apartments. In addition, INT Housing provides accommodation for exchange students arriving during the Autumn.

Check out for more on how to apply, housing options, Finland and Tampere … you name it!

FI-33014 Tampere University, FINLAND
Gotta love

Tampere

• 230,000 inhabitants, the third largest city in Finland and the largest inland city in the Nordic countries
• A true student city: every sixth resident is a student
• A vibrant atmosphere: 8,000 events and festivals each year
• Home of the world’s only Moomin Museum
• The Sauna Capital of the World with over 20 public saunas!
• Frequently voted the best Finnish city in terms of quality of life

visittampere.fi/en
Finland

- Population: 5.5 million, 18.1 inhabitants per km² (46.6 per square mile)
- Area: 338,440 km² (131,991 square miles), Western Europe’s fifth-largest country
- Safe country with an amazing natural environment: 188,000 lakes and 37 national parks
- Over 2 million saunas – there is even one in the Parliament House!
- Has the highest per capita coffee consumption in the world
- The place to see Aurora Borealis, also known as the Northern Lights
- The land of crazy sports like swamp soccer, ice swimming and many more
- ... but no, we don’t have polar bears

Cost of living

- Comparable to the rest of Northern Europe
- In addition to the rent, approximately 300–500 € per month covers food, transportation, personal and leisure expenses.
- Meals at student restaurants are varied and inexpensive.
