

GRADING SYSTEM FOR DESTINATIONS OUTSIDE EUROPE

All students applying for an exchange outside Europe attach the following documents/as many of them as possible to SoleMOVE-system at application stage. In case of competition (= more applicants than exchange places), the person with the highest points is selected. If several students receive the same amount of points, the person with the highest average grade is selected.

Document	Points
General international experience (free form document, max A4)	1
Destination related studies / experience (preferably a certificate from a teacher or other testimonial)	1
Certificate of destination language studies (Not English / Swedish)	1
Certificate of international tutoring from TAMKO	1
Studying in a degree programme taught in English at TAMK (no certificate required)	1
Maximum points in total	5

GRADING SYSTEM FOR DESTINATIONS IN EUROPE (exceptional situations only)

The same grading system can also be used for destinations in Europe in case of competition (= more applicants than exchange places). **If necessary, all applicants are contacted separately via e-mail and are asked to deliver the documents within a given deadline.** If several students receive the same amount of points, the person with the highest average grade is selected.
