

Zoom meeting, participant instructions

Join Zoom meeting with a meeting link

Invitees get an email with the meeting link. E.g. <https://tuni.zoom.us/j/123456789>

Clicking the link opens a browser window which starts the Zoom client and the meeting. If the Zoom software is not installed on your device, a download of the Zoom client will start automatically. After the client install you will be prompted for a name to join the meeting with. **Once the meeting window is open choose *Join Audio Conference by Computer***

Join using the meeting ID

Every Zoom meeting has its own 9 to 11 digit ID which can be used to join.

On a browser Go to <https://tuni.zoom.us> and choose *Join*

Insert the meeting ID to *Meeting ID* field and choose *Join*

On the Zoom client

If you already have Zoom installed on your device, click the *Join* button and insert the Meeting ID.

Test your audio devices

You can test your speakers and microphone before joining the meeting with *Test speaker and microphone* link.

See [Zoom Help Center: Testing computer or device audio](#)
