Conditions for claiming tax deduction

Under the Finnish Income Tax Act, donations ranging from €850 to €50,000 that are made to support science and research are deductible from the income taxes of communities (www.finlex.fi, Income Tax Act, Section 57). Donors will be expected to notify their organisation's financial department of the Deed of Donation in order to complete the payment process. The original completed, printed and signed Deed of Donation is posted to the Industrial Research Fund's address provided above.
