Hybrid teaching equipment

This space is equipped with Jabra Panacast 180° -webcam, Jabra 710 –speaker microphone and Jabra USB-Hub. The devices allow you to connect your video and audio to a remote connection. You can also make lecture recordings.

To connect devices to your computer, connect the USB-C cable from Jabra USB-Hub to your computer’s USB-port. If your device does not have a USB-C port, disconnect the camera and speaker microphone USB cables from the Jabra USB-Hub and connect them directly to your device. Reconnect the cables to the Jabra USB-Hub after use.

How to select devices in different applications:
