

# Exchange Studies at Tampere University

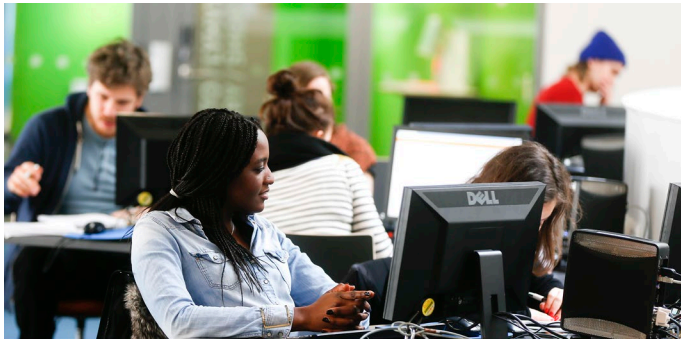

# Tampere, Finland

- Tampere University is the second largest university in Finland.
- Our community comprises 21,000 students and 4,000 staff members.

**We believe that human potential is unlimited.**

# Three vibrant campuses

## City centre

- Short walking distance from the railway station
- Hub of business studies, education, natural sciences and communication and social sciences

## Hervanta

- Located about 8 km south of the city centre
- Campus and the surrounding area constitute a major technology hub

## Kauppi

- Located about 3 km east of the city centre
- Home base for medicine, life sciences and health sciences research

# We offer our students

- Access to the latest research, high-quality teaching and close links with employers
- Genuinely multidisciplinary courses and modules
- Sustainable development integrated into education and research in every field
- Modern facilities to support your studies

# Rankings

- World University Rankings: 251–300 (Times Higher Education 2022)
- Young university ranking: 37 (Times Higher Education 2021)
- Global world ranking: 414 (QS World University Ranking 2022)

# Broad range of opportunities

\* only via specified agreements

# We work together to build a sustainable world

The new multidisciplinary Tampere University brings together research and education focusing on

- **technology**
- **health**
- **society**

We develop solutions to tackle climate change, preserve the natural environment, and improve the well-being and sustainability of societies.

# Tampere – the most student-friendly city in Finland

- 244,000 inhabitants, the third largest city in Finland and the largest inland city in the Nordic countries
- The most attractive city in Finland
- Every sixth resident is a student
- 8,000 events and festivals each year
- The Sauna Capital of the World with over 30 public saunas!

# Finland – the happiest country in the world

- 5,5 million 18,1 inhabitants per km<sup>2</sup> (46.6 per square mile)
- 338,440 km<sup>2</sup> (131,991 square miles) Western Europe's fifth-largest country
- Everyone has freedom to roam in the amazing natural environment: 188,000 lakes and 37 national parks
- The place to see Aurora Borealis, also known as the Northern Lights
- ... but no, we don't have polar bears

# Cost of living

- Comparable to the rest of Northern Europe
- In addition to the rent, approximately 300–500 € per month covers food, transportation, personal and leisure expenses
- Meals at student restaurants are varied and lunch costs only about 3 €
