

Drooniprosessi

The screenshot shows a web application interface for drone data visualization. The main area displays a map with a parcel highlighted in blue. The parcel information is as follows:

Lohkon tiedot	
Tilatunnus	00000000
Lohko	8340141438
Koko	9.5 ha

On the right side, there are controls for the visualization:

- Lohkon tasot:** A list of data layers with sliders. The selected layer is **20230626_ndvi**, and another layer is **20230626_rgb**.
- Kommentit:** A comment section with a user named **petlin** who commented "Hienoja kuvia" on 11.10.23 at 15:32.

At the bottom right, there is a "Kommentoi" button.
