

Doctoral Programme of Computing and Electrical Engineering

REQUIRED DOCUMENTS FOR THE DISSERTATION PROCESS

Pre-examination

- *Proposal of pre-examiners* -form
- the CVs of pre-examiner candidates (when needed)
- a pdf file of the completed dissertation manuscript

Permission to publish dissertation

- *Application to apply the right to publish the dissertation* -form
- a pdf file of the final and revised dissertation manuscript
- a description of revisions made to the manuscript based on pre-examiners' statements and comments. The description must include responses to the explicit recommendations and questions of the pre-examiners, or explanation of reasons why the author didn't take some or all of them into consideration.

Public defense

- *Proposal of opponent(s), custos and the public defence date* -form
- the CVs of opponent candidates (when needed)

Grading the dissertation

- the evaluation statement form from the opponents (directly to the faculty from the examiners)

Kindly submit the items and documents of the dissertation process by email to the academic officer at the Faculty Services to cee.doc.tau@tuni.fi or elina.orava@tuni.fi.
