

## List of participants

| Participant No  | Participant organisation name   | Participant short name | Country | National eligibility checked by participant (Y/N) |
|-----------------|---|------------------------|---------|---|
| 1 (Coordinator) | INTERUNIVERSITAIR MICRO-ELECTRONICA CENTRUM                                 | IMEC                   | BE      | Y   |
| 2               | Incize  | INC                    | BE      | Y   |
| 3               | Université catholique de Louvain  | UCL                    | BE      | Y   |
| 4               | BESI Austria GmbH   | BESI                   | AT      | Y   |
| 5               | Global TCAD Solutions GmbH  | GTS                    | AT      | Y   |
| 6               | Swiss Center for Electronics and Microtechnology                            | CSEM                   | CH      | Y   |
| 7               | Diramics AG   | Diramics               | CH      | Y   |
| 8               | Albis Optoelectronics AG  | Albis                  | CH      | Y   |
| 9               | Fraunhofer-Gesellschaft   | FhG                    | DE      | Y   |
| 10              | Infineon Technologies AG  | IFAG                   | DE      | Y   |
| 11              | Technische Universität Braunschweig   | TUBS                   | DE      | Y   |
| 12              | Supracon AG   | SUPRA                  | DE      | Y   |
| 13              | Nanolayers OU   | NL                     | EST     | Y   |
| 14              | Bluefors Oy   | Bluefors               | FIN     | Y   |
| 15              | IQM Finland Oy  | IQM                    | FIN     | Y   |
| 16              | Okmetic Oy  | Okmetic                | FIN     | Y   |
| 17              | Picosun Oy  | Picosun                | FIN     | Y   |
| 18              | QuantrolOx Finland Oy   | QuantrolOx             | FIN     | Y   |
| 19              | Valtion Teknillinen Tutkimuskeskus  | VTT                    | FIN     | Y   |
| 20              | Semiqon Technologies oy   | SemiQon                | FIN     | Y   |
| 21              | COMMISSARIAT A L'ENERGIE ATOMIQUE ET AUX ENERGIES ALTERNATIVES              | CEA                    | FR      | Y   |
| 22              | STMicroelectronics France SAS   | ST France              | FR      | Y   |
| 23              | STMicroelectronics Crolles 2 SAS  | ST Crolles             | FR      | Y   |
| 24              | Siquance  | SiQ                    | FR      | Y   |
| 25              | INTEL RESEARCH AND DEVELOPMENT IRELAND                                      | Intel                  | IE      | Y   |
| 26              | Tyndall   | Tyndall                | IE      | Y   |
| 27              | Single Quantum BV   | SingleQuantum          | NL      | Y   |
| 28              | Technische Universiteit Delft   | TU Delft               | NL      | Y   |
| 29              | Qblox B.V.  | Qblox                  | NL      | Y   |
| 30              | NEDERLANDSE ORGANISATIE VOOR TOEGEPAST NATUURWETENSCHAPPELIJK ONDERZOEK TNO | TNO                    | NL      | Y   |
| 31              | Lunds Universitet   | ULund                  | SE      | Y   |
| 32              | Nordamps AB   | Nordamps               | SE      | Y   |
| 33              | Nanoacademic Technologies Inc.  | Nanoacademic           | CA      | Y   |
| 34              | Alice & Bob   | A&B                    | FR      | Y   |
| 35              | TAMPEREEN KORKEAKOULUSAATIO SR  | TAU                    | FIN     | Y   |
| 36              | École Polytechnique Fédérale de Lausanne                                    | EPFL                   | CH      | Y   |
