The EU's General Data Protection Regulation (EU 2016/679), Art. 12-14

	<ul style="list-style-type: none"> - survey for specialising physicians <p>The surveys explore the following themes:</p> <ul style="list-style-type: none"> - background information about respondents: gender, age, degree programme, previous qualifications - quality and attractiveness of education leading to a degree - student experience, academic progress, level of satisfaction with one's degree - strategic information needs - development of expertise - opportunities for participation, well-being and equality - employment rate - services and the learning environment - other current themes relating to studies and learning
7 Sources of information	The survey automatically saves the respondent's name and email address. The survey may also be carried out completed anonymously. The survey answers may be combined with basic information on the student from the student register (usually the name of the degree programme) if this is stated. The survey must state which information is combined.
8 Regular disclosure of data and recipients	<p>Regular disclosure of data to third parties:</p> <p>Data will not be disclosed as is to any third parties. The data will be utilised to support Tampere University's internal development activities. Summaries and analyses drawn up based on the survey results may be published on the University's website.</p> <p>If there is a research permit, anonymised data may be given to the University's employees and students for research purposes.</p> <p>The Data Controller has signed a contract to outsource processing activities:</p> <p><input checked="" type="checkbox"/> No</p> <p><input type="checkbox"/> Yes, more information about outsourced processing activities:</p>
9 Transfer of data outside the EU or the EEA	<p>Will data stored in the records be transferred to a country or an international organisation located outside the EU or the EEA:</p> <p><input checked="" type="checkbox"/> No</p> <p><input type="checkbox"/> Yes, please specify:</p> <p style="padding-left: 40px;">Description of the measures taken to protect data:</p>
If data is transferred outside the EEA, please describe the related data protection procedures	
10 Data protection principles	<p>A manual data</p> <p>As a rule, no manual data will be generated as a result of conducting the surveys. PowerPoint presentations and PowerBI reports may be prepared to</p>

22 December 2021 10:05:02

The EU's General Data Protection Regulation (EU 2016/679), Art. 12-14

	<p>sum up the survey results without including any data that may identify an individual respondent.</p> <p>B electronic data</p> <ul style="list-style-type: none"> - All data listed in item 6 above. - The surveys are conducted through the MS Forms service maintained by the University's ICT Services. - If necessary, data may be transferred to be processed using computational or analysis software. - The results are published as PowerBI reports in the University's reporting application (TuniReports) and on an Intranet Handbook page. - Data is processed in accordance with the University's data protection policy. - Access to data is restricted to persons who oversee student feedback collection in the Education and Learning unit.
<p>11a) Data retention period or criteria for determining the retention period</p> <p>11b) Data archiving</p>	<p>The data retention period is defined in the University's records management plan. If the records management plan does not contain provisions concerning the retention of data, the data will be held no longer than 5 years. This facilitates the required long-term follow-up.</p> <p>Data is also disclosed, without any identifiable personal data, to the Finnish Social Science Data Archive (FSD) for archiving and more detailed anonymisation for later research use. The data will be reported publicly so that no single individual can be identified from the results.</p>
<p>12 Existence of automated decision-making or profiling, the logic involved and the significance of the envisaged consequences for data subjects</p>	<p><input checked="" type="checkbox"/> No</p> <p><input type="checkbox"/> Yes, please specify:</p>
<p>13 Rights of data subjects</p>	<p>Data subjects have the following rights under the EU's General Data Protection Regulation (GDPR):</p> <ul style="list-style-type: none"> - <u>Right of access</u> <ul style="list-style-type: none"> o Data subjects are entitled to find out what information the University holds about them or to receive confirmation that their personal data is not processed by the University. - <u>Right to rectification</u> <ul style="list-style-type: none"> o Data subjects have the right to have any incorrect, inaccurate or incomplete personal details held by the University revised or supplemented without undue delay.
