

Expand your world!

Exchange studies

tuni.fi/tau-exchange

Go Global!

Welcome to Finland's most attractive university!

Tampere University is the second largest research university in Finland. Focus areas of research and education of our multi-disciplinary university are technology, health and society. More than 22,000 students study with us.

We offer a broad range of opportunities to join and pursue your exchange studies. We are known for our advanced pedagogical expertise. Our global digital campus, personalised instruction and high-quality physical learning environments provide you a seamless learning experience.

We have three vibrant campuses in Tampere, a city that provides an outstanding living environment for students.

Broad range of opportunities

Application deadlines:

30 April ► for autumn semester and full academic year

15 October ► for spring semester only

More information: tuni.fi/tau-exchange

At Tampere University you can create a unique study experience to meet your interests. As an exchange student, you have a wide variety of courses from different study fields and faculties to choose from (please note that some restrictions may apply).

With us you can also take a peek into Finnishness on our courses in the Finnish language, available from beginner to advanced level.

Study in Tampere and you can experience the best our city has to offer, such as quality education and spectacular nature!

Together we are greater

Student mobility

Tampere University has hundreds of partner universities worldwide. We are proud to welcome approx. 700 exchange students each academic year.

Academic calendar

During the autumn semester, teaching is organised from late August until late December.

The spring semester starts in early January and teaching continues until late May.

Welcome Week

We organise a Welcome Week in August and early January. Besides learning about study practices and Finnish way of life, the Welcome Week is free of charge and a great opportunity for you to make new friends!

Check out for more on how to apply, housing options, Finland and Tampere ... you name it!

International student tutors

To make you feel at home we will assign you a student tutor. Tutors are fellow students and they will be happy to give you a piece of advice before and upon your arrival in Tampere.

A mobile app for exchange students

We have a mobile app that allows exchange students to connect with each other even before they arrive. The app also provides answers to practical questions and features posts about interesting events.

Student housing

Tampere has a great selection of affordable (but not guaranteed) student apartments starting from 300 € per month.

A woman with long brown hair is shown in profile, smiling and smelling a yellow flower. She is surrounded by a field of yellow flowers. In the background, a calm lake and a forested shoreline are visible under a cloudy sky.

Gotta love Finland and Tampere

Picture: Laura Vanzo /Visit Tampere Ltd.

Finland – the happiest country in the world for eight consecutive years

- Safe country with a population of 5.5 million (18.1 inhabitants per km²/ 46.6 per square mile)
- Western Europe's fifth-largest country (area: 338,440 km² / 131,991 square miles)
- Everyone has freedom to roam in the amazing natural environment: 188,000 lakes and 41 national parks
- The place to see Aurora Borealis, also known as the Northern Lights (in Tampere as well)
- The land of highest coffee consumption per capita and crazy sports like swamp football and ice swimming
- ... but no, we don't have polar bears

Cost of living

- Comparable to the rest of Western Europe
- In addition to the rent, approximately 350–600 € per month covers food, transportation, personal and leisure expenses
- Meals at student restaurants are varied and inexpensive (about 3 €)

Tampere

- 256,000 inhabitants, the third largest city in Finland and the largest inland city in the Nordic countries
- A true student city: every sixth resident is a HEI student
- Vibrant atmosphere: thousands events and festivals each year
- Home of the world's only Moomin Museum
- The Sauna Capital of the World with over 50 public saunas!
- Frequently voted as the most attractive city in Finland
