

INFORMED CONSENT FORM

Working name of the study: Surroship in the making: the shared and contested meanings and practices of surrogacy in Australia.

Consent for participation in a research study

I have been requested to participate in the research study identified above. I have received information about the study in writing and have had the opportunity to ask questions from the researcher conducting the study.

I understand that participating in the study is voluntary. I am aware that I have the right to refuse to participate and the right to withdraw from the study permanently or for a temporary period at any time and without giving a reason. I understand that any personal data collected in the course of the study will remain confidential and the data will only be used for research purposes.

I hereby give my voluntary consent for participation in this study.
