

We warmly welcome you to your studies. Kindly ensure that you acquire a personal protecting accessories (laboratory coat and safety goggles) prior to the beginning of your courses, as it is required for participation in laboratory sessions and not provided by TAMK.

Detailed information:

- well-fitted laboratory coat (polyester/cotton, long sleeve model)
- safety goggles

Examples are in pictures

Don't hesitate to contact, if you have any questions related to the topic.

Best regards,

Maria Änkö

Laboratory engineer
