

Tampere University Master's application 2026 statistics

Programme	Intake*	Number of applicants in total	First priority applicants	Accepted applicants	Faculty
Accessibility and Diversity in Digital Services, Sustainable Societies and Digitalisation	20	56	31	42	Faculty of Information Technology and Communication Sciences
Communication Systems and Networks, Computing Sciences and Electrical Engineering	20	63	22	37	Faculty of Information Technology and Communication Sciences
Data Science, Computing Sciences and Electrical Engineering	15	220	126	49	Faculty of Information Technology and Communication Sciences
Embedded systems, Computing Sciences and Electrical Engineering	20	83	40	39	Faculty of Information Technology and Communication Sciences
Game Studies	20	53	43	33	Faculty of Information Technology and Communication Sciences
Human-Technology Interaction, Computing Sciences and Electrical Engineering	45	104	71	70	Faculty of Information Technology and Communication Sciences
Information Security, Computing Sciences and Electrical Engineering	20	118	75	58	Faculty of Information Technology and Communication Sciences
Power Electronics and Electromechanics, Computing Sciences and Electrical Engineering	15	41	23	24	Faculty of Information Technology and Communication Sciences
Signal Processing and Machine Learning, Computing Sciences and Electrical Engineering	30	130	81	64	Faculty of Information Technology and Communication Sciences
Smart Grids, Computing Sciences and Electrical Engineering	15	41	27	19	Faculty of Information Technology and Communication Sciences
Software, Web & Cloud, Computing Sciences and Electrical Engineering	45	199	137	70	Faculty of Information Technology and Communication Sciences
Statistical Data Analytics, Computing Sciences and Electrical Engineering	30	90	45	67	Faculty of Information Technology and Communication Sciences
System-on-Chip Design, Computing Sciences and Electrical Engineering	30	40	23	19	Faculty of Information Technology and Communication Sciences
Wireless Communications and RF Systems, Computing Sciences and Electrical Engineering	30	46	28	36	Faculty of Information Technology and Communication Sciences
Business and Technology	20	114	85	35	Faculty of Management and Business
International Security, Security Management and Politics	15	104	64	29	Faculty of Management and Business
Security Governance, Security Management and Politics	15	76	41	24	Faculty of Management and Business
Teaching, Learning and Media Education	20	112	103	43	Faculty of Education and Culture
Biomaterials and Tissue Engineering, Biomedical Sciences and Engineering	30***	49	34	9	Faculty of Medicine and Health Technology
Biomedical Informatics, Biomedical Sciences and Engineering	30***	46	31	16	Faculty of Medicine and Health Technology
Biomedical Informatics, Biomedical Technology	30***	49	31	12	Faculty of Medicine and Health Technology
Biomedical Micro- and Nanodevices, Biomedical Sciences and Engineering	30***	27	7	9	Faculty of Medicine and Health Technology
Cell Technology, Biomedical Technology	30**	54	21	13	Faculty of Medicine and Health Technology
Medical Physics and Biomedical Instrumentation, Biomedical Sciences and Engineering	30**	28	23	14	Faculty of Medicine and Health Technology
Molecular Biology, Biomedical Technology	30**	84	66	14	Faculty of Medicine and Health Technology
Geotechnical Engineering, Civil Engineering	15	41	14	6	Faculty of Built Environment
Structural Engineering, Civil Engineering	15	56	37	12	Faculty of Built Environment
Sustainable Architecture	10	73	70	20	Faculty of Built Environment
Sustainable Transport, Civil Engineering	20	46	26	14	Faculty of Built Environment
Environmental Engineering	15	54	40	21	Faculty of Engineering and Natural Sciences
Materials Science and Engineering	15	68	54	19	Faculty of Engineering and Natural Sciences
Comparative Social Policy and Welfare, Social Science Research	12	62	44	26	Faculty of Social Sciences

Programme	Intake*	Number of applicants in total	First priority applicants	Accepted applicants	Faculty
Peace, Mediation and Conflict Research	20	113	79	38	Faculty of Social Sciences
Total	607	2540	1642	1001	-

* There is no obligation to fill the intake.

** The intake is 30 students for the programme in Biomedical Technology. The Biomedical Technology programme includes the following specialisations: 1) Biomedical Informatics, 2) Cell Technology and 3) Molecular Biology.

*** The intake is 30 students for the programme in Biomedical Sciences and Engineering. The Master's Programme in Biomedical Sciences and Engineering includes the following specialisations: 1) Biomaterials and Tissue Engineering, 2) Biomedical Micro- and Nanodevices, 3) Biomedical Informatics and 4) Medical Physics and Biomedical Instrumentation.
